FROM JOHN'S DESK

Wednesday, December 23rd, prepare yourself for a luncheon you'll never forget. I would like to invite you to a Christmas Buffet in appreciation of all the hard work each of you do throughout the year.

This will give each of us an opportunity to share the spirit of the Christmas Season with each other.

So eat a light breakfast that day and join us for your Christmas Buffet!

PARDON OUR DUST (AND NOISE)

If you are wondering why there is so much noise in the building, we are expanding our Bakery area. The reason for this expansion is to allow us to handle the future demands of Epcot Center and to produce a larger variety and maintain the high quality of our bread product.

One piece of equipment purchased from the Pavailler Company is a completely automated European bread system. This system will portion, pan, proof and bake the pre-mixed dough anywhere from a ½ oz. roll to a Baguette (French loaf of bread). A Deck Oven where the bread lies directly on the stone of the oven and a Rack Oven where the baker rolls the rack of bread into the oven, the oven will then rotate the rack and bake the bread.

We will also have a new cookie machine manufactured in Belgium, this machine will produce 1,000 dozen cookies per hour. That's a lot of cookies!

For increased storage of flour, we have purchased new refrigeration units and since we have so many guests visiting the Central Food Facility, we will have an observation window in this new area.

All in all, we are looking for a completion date of mid May.

If we are missing something you would like to see in your Central Food Facility Newsletter, please let us know by calling Mary at 4615 or send a note to John's office.
